

MENTEE

Our Mission: Valor Bridge is devoted to providing mentorship and education to our combat veterans ensuring the most successful transitions back into civilian life by launching meaningful careers.

Service doesn't just mean fighting in a military setting for our country. Service comes in various forms. Valor Bridge serves our country and our countrymen by supporting, guiding, and providing our proud soldiers opportunities. Jobs are not given, free passes are not presented, and entrance is not easy, but those that rise to the challenge will prosper.

What started out as informal business mentorships to a few combat veterans, has grown into an organization of dedicated individuals who are committed to deliver resources, education and reliable mentors based upon real world needs for combat veterans making the transition back into civilian life.
