Four weeks of classes, held two days per week (Mondays and Wednesdays). Session begins Monday, September 24<sup>th</sup> through Wednesday, October 17<sup>th</sup> from 9 am to 3 pm. You must attend the entire workshop.

VetPropulsion success is built from three dynamic programs:

- **The Veterans Career Transition Management System©**
- **The VetPropulsion Career Search Field Manual**
- **The Birkman Method®**

Designed by Veterans for Veterans, The Career Transition Management System provides a structured, straightforward approach for your career search that has proved to be extremely successful and motivational. The course will provide you with a solid foundation utilizing every proven innovative technique, data and accurate information about yourself, your strengths and your probability of success in a given “Job Family.”

*“The finest materials I’ve ever seen.” Dan Webster, Director State of Colorado Veterans Employment and Training*

*“I developed the tools needed for re-entry into the employed world.....The skills and materials, along with participation on every level by fellow classmates will stay with me for a lifetime.” Alethea S., Airforce Vet*

*“Once I completed the course and started interviewing I really saw that what I learned through VetPropulsion was absolutely required. Not only was I prepared to present myself to an employer’s business, I was also prepared to evaluate the employer’s business to know if the employer was also right for me.” Craig D., Navy Vet*

*“VetPropulsion provides the tools and training to help us all live the dream.” Rick P., Army Vet*
