

Reconnection Workshops

Presented by Walmart

Reuniting, Reconnecting and Rebuilding for Military Families

Today's service members are facing repeated deployments around the world. The Reconnection Workshops provide small-group post-deployment support and skill building for military families.

Reconnection Workshops can help.

This FREE workshop helps participants to address the issues of children's adjustments to the return of a military family member following deployment. Lunch will be provided.

To register please call 720-847-6681
