BBA Aviation

Celebrate the Colorado Air National Guard and the history of the greatest generation when Experimental Aircraft Association's (EAA) B-17 "Flying Fortress" Aluminum Overcast comes to Centennial Airport.

Step back in time and experience World War II history by catching a Mission Flight or a Ground Tour on the Aluminum Overcast, a historic heavy bomber during our B-17 Fly-in.

Bring your family and participate in free activities like:

- Seeing Warbird Aircraft and WWII Vehicle Displays
- Experiencing pedal planes and flight simulators
- Visiting the Veteran's Corner

Join as we celebrate the Colorado Air National Guard's 90 years of service.

- Visit with members of the Air National Guard
- View active military aircraft

Mission Flights and Ground Tours are daily activities. Flights are scheduled each morning and early afternoon, with Ground Tours following the last flight.

Check out the flight plan and details for our B-17 Fly-in at WingsMuseum.org, advance tickets for Mission Flights available at B17.org. Tickets for Ground Tours are available onsite.

Flight times are subject to change due to weather and other factors.
