Join PEAK Parent Center as we present this series of webinars for parents and educators. You can sign up for each webinar, or just the ones that interest you the most. Please note, you will need to register for each webinar you would like to participate in.

Space is limited, so please [register online](#) and you will receive a confirmation email with instructions for how to access each webinar.

Monday, November 4, 2013, 12:00-1:00 pm (MST) - Dispute Resolutions 101 with Candace Hawkins

Candace Hawkins is a state complaints investigator and dispute resolution and policy specialist with the Colorado Department of Education. In this webinar, she will share a detailed overview of the dispute resolution options available under the Individuals with Disabilities Education Act (IDEA). Candace will address mediation, state complaint, and due process complaint. The key differences between the three options for dispute resolutions will be highlighted. Join Candace and learn how to utilize dispute resolution options to create workable solutions in schools!

Thursday, November 21, 2013, 12:00-1:00 pm (MST) -From Text Maps to Memory Caps: 10 Ways to Differentiate Instruction in K-12 Inclusive Classrooms with Paula Kluth

This idea-filled webinar will focus on using teacher-created materials to meet the needs of all learners in inclusive schools! Participants will learn ways to engage, motivate, support, and inspire diverse groups of students by creating classroom games, study aids, visual supports, teaching tools, and review materials. Paula will highlight several ideas that support Common Core Standards including text maps, memory caps, and comic strip assessments. Parents will find the ideas in this webinar useful as many tools work well for tutor sessions and homework help.

Tuesday, December 3, 2013, 12:00-1:00 pm (MST) -Common Core Standards with Doug Fisher

This webinar will focus on the Common Core Standards, what they are, what they mean for families, and their promise for education and for all kids! Participants will explore inclusive practices that help ensure that the core standards remain common to all students. Doug will also help parents and educators understand how Common Core Standards relate to kids who have Individualized Education Plans (IEPs).
