16 January 2014, 1130-1300

Buckley Air Force Base, Education Center (Bldg 606, Auditorium)

(must have ID installation access)

www.troopstoteachers.net

Since 1994 we have assisted over 18,000 eligible veterans like Dan make the transition from the front lines to the front of the classroom. Our state offices provide participants with counseling and assistance regarding state certification requirements, routes to certifications, and employment referrals. You may also be eligible for financial assistance in the form of a \$5K stipend to reimburse costs to become certified or a \$10K bonus to teach in a "high needs" school.

Dan Kester has more than 15 years in the Air Force and Air National Guard. He has served in Germany, England, and Italy as an Intelligence Technician with C-130s. More recently Dan serves as a Senior Operator for the MQ-1 Predator remote aircraft system flying missions in Iraq and Afghanistan. Dan enjoys his "second career" as a teacher where he currently teaches Electronics and Digital Media and serves as a district Career & Technical Education Mentor. Dan also involves his students in the BattleBots competition through the North American Robotics League Educational Experience.

**Special Guest Speaker: SSgt Bob Florio, USAFR
3rd year Special Education & Language Arts teacher
at High Tech Early College (Denver Public)**

- Learn about the requirements and options to become a teacher
