

**5<sup>TH</sup> ANNUAL**  
**REMEMBER OUR VETERANS EVENT**  
**2015**

# Mission Statement

**“Remember Our Veterans” operates as a 501C non-profit organization, working with and under the guidelines and financial governance of Horseback Miracles. Horseback Miracles was established to assist “at risk” teenage girls, through equine therapy, treating behavioral, developmental and neurological disorders. Additionally we believe that working under medical supervision, we can assist soldiers with “TBI” – traumatic brain injuries, allowing injured soldiers the opportunity to get additional treatment that may assist them as they continue in the healing process. Located in Douglas County Colorado, “Remember Our Veterans” was established within “Horseback Miracles” network for the sole purpose to recognize the sacrifices, efforts and contributions of those that serve and have served our Country, by offering events and outings that are only open to Veterans. These events allow those that have not served an opportunity to give back to those that have, providing opportunities for Veterans from all branches of service with varied service dates, to bond, share memories, establish new friends and understand that those that have not served, remember and appreciate them for their contributions to our freedom and safety.**

**Endorsed by:**

**Major General Andrew Cooley – U. S. Army (retired)**

**Douglas County Veterans Affairs**

**Castle Rock American Legion Post “Harry C. Miller Post 1187”**

# 2015 OBJECTIVES

- **Provide a continued opportunity to show appreciation to those that have served or are serving our great county**
- **Continue to work directly with Fort Carson Army Base, providing opportunities to reach out to recent wounded warriors.**
- **Continue to work directly with Douglas County Veterans Department to reach Veterans within the area**
- **Continue to establish relationships with American Legion Posts, reaching veterans from various branches and times of service**
- **Provide the 5<sup>th</sup> Annual Golf “Remember Our Veterans” hosted by Perry Park Country Club - full field of 144 Veterans as planned**
- **Offer therapy clinics for wounded warriors with “TBI” challenges, working with Horseback Miracles of Larkspur, Colorado, establishing therapy sessions utilizing equine therapy**
