

" Oh my goodness-Thank you so much. What a blessing Dr. Benson, his staff and all the volunteers have been. My husband served in the Navy 6 years and since he got out we have struggled to get proper dental care for our family because of cost. I truly don't have words to express my gratitude to you all for your donating your time and supplies to us. "

- Jessica, Freedom Day Patient

" I am so pleased and grateful for the work done today! The staff is amazing. Thank you all for being so kind and giving. I'm leaving knowing my teeth are the healthiest they've ever been. "

- Viktorya, Freedom Day Patient
