All Programs Require Individual Registration

Holiday Meal Assistance

Holiday meal assistance is available to those CONG members and their families in need. Each registered family will receive gift cards of their choice to purchase food items.

Santa Shop Program

New, unwrapped gifts are donated and on December 12, registered families will be allowed to shop for a limited number of items for their immediate family. Family activities and Santa will be there to enjoy! All participants must pre-register.

Adopt-a-Family

Adopt a Guard Family Program

The Adopt-A-Family Program is available to those families that are in desperate need of assistance during the holiday season. Gifts will be provided by a donor for all immediate members of the family.

All donations are accepted by the Colorado National Guard Foundation, Inc., or Supporting Tiny Soldiers (Grand Junction). Both of these organizations are 501(c)3 nonprofit organizations which qualifies your contribution as a tax deduction. Please consult with your accountant as to how this may apply to you.
