Take a Knee – 07 October 2020

Responding to Life's Trials

2 Chronicles 20:1-30

How do you respond when faced with a sizable problem for which there seems to be no solution? After considering all angles and seeing no way out, do you panic or sink into despair? Sometimes I find myself saying, "There's nothing left to do now but pray!" People of faith should not treat prayer as a "back-up" option. We should make prayer a priority and step #1 of our battle-drill when faced with a pressing challenge: **Pray and rely on the Lord.**

Today's verses provide a rich, detailed account of Jehoshaphat's remarkable faith. When Judah was threatened by a great and powerful enemy, the king responded by seeking the Lord. His prayer was based on divine promises and Judah's total dependence upon God for deliverance. In response, the Lord sent a comforting message through a prophet, and Jehoshaphat told the people, **"Put your trust in the lord your God and you will be established. Put your trust in His prophets and succeed"** (2 Chronicles 20:20).

This is good advice for us today because our only true foundation in times of trouble is the Lord and His Word. Jehoshaphat's prayer is a model we can follow. When we come humbly before God and base our prayer requests on the truths and promises of Scripture, we can trust Him to do exactly what He has said.

Dear Service Member,

The Secretary of Defense Employer Support Freedom Award nomination season is an exciting time of year. We get to see thousands of testimonials about employers who regularly go above and beyond to support their employees in the National Guard and Reserve.

Throughout this nomination season email campaign you, along with nearly 800,000 Reserve Component service members will receive several emails that announce the season and provide updates.

As of this email we've received hundreds of nominations! For those of you who have already nominated your supportive employer, thank you! And, for those of you who'd like to, go to www.freedomaward.mil and click on the "Nominate Employer" tab.

During these times of significant change and hardship brought on by COVID-19 it is important to recognize those supportive employers who continue to provide unparalleled support to you and your family members.

The Freedom Award is the highest honor the Department of Defense gives to employers for supporting National Guard and Reserve employees. The employers chosen exemplify what it means to go above and beyond federal requirements in support of military employees.

The nomination form takes about 10-15 minutes to complete. Nominations must be submitted by Dec. 31, 2020.

Thank you for your service,
The Freedom Award Team

Good afternoon, Team Buckley!

Your Diversity Council is planning a Festival of Holidays. It will take place from 1200 – 1600 on December 2 at the Chapel Fellowship Hall and will include booths for every holiday celebrated in December. So far, we know about Bhodi Day (Buddhist), Hanukah (Jewish), Yule (Pagan/Wiccan), Christmas (Christian) and Kwanzaa (African American & Pan-African) (There are several more Christian holidays but space is limited and one celebrated holiday per faith, I believe, is fine.) if you know of another major holiday we've missed, please email us at 460sw.diversitycouncil.wf@us.af.mil.

To make this happen, we need volunteers who would be able to give us guidance on their traditional celebrations and set up their booth. Due to COVID and the mandatory 25-person limit per gathering, we're asking that only one person stay at the booth to answer any questions once the festival starts. Between the hours of 1200 and 1600, 20 people will be allowed into the Fellowship hall at a time.

Our goal is to make this fun, tasty and educational for anyone who's interested in learning about different cultures making up our holiday season. Please help us kick off December with a celebration of diversity and send us an email to volunteer at the address above.

Respectfully,

Team Buckley Diversity Council
