Teammates,

On behalf of the Colorado National Guard Foundation, I am writing to ask for your support. Colorado Gives Day is on December 7th.

This year if you are considering to donate money on Colorado Gives Day or in general for the holiday season, please consider your own Colorado National Guard Foundation. You can do so directly on our website or send in your donation.

https://congfoundation.com/

Tax deductible checks can be made out to the CONG Foundation and mailed to:

C/O of Shirley Walker 12200 East Briarwood Avenue Suite 160 Centennial, CO 80112

TAX ID # - 84-1251787 CFC # - 46564

My goal is to raise \$50,000 between the services, DMVA and retirees. If we raise the amount I will personally donate \$1,000 to the foundation. 96% of your donations go directly to help our service members.

Thank you for your consideration.

Sincerely, Ashkan Angha Colorado National Guard Foundation Chair

L Drive Sunset / OneDrive Migration Mandate

DAF has mandated the immediate sunset of personal storage drives (L Drive). Users are being directed to migrate data stored on personal storage drives to OneDrive per DOD CIO Memo, 16 April 2020, *Interim Guidance for Implementation of the Department of Defense Cloud Strategy* and SECAF Memo, 23 September 2019, *2019 Air Force Cloud Computing Strategy*. Users will maintain their OneDrive through the lifetime of their AFNet account. This also is in line with other upcoming downward directed IT projects for the AFNET which continue to push the force towards adopting utilities such as OneDrive, SharePoint, Teams and more (see below informational slide).

OneDrive Migration:

- January 2022-March 2022: Extended Period of Accommodation for Deployed/Medical Leave/Other Members
- March 5/6 2022: Deletion of all Personal Drives

Out of Cycle Inventory

This is a reminder for everyone about the SAF/CN initiated AF-wide Out of Cycle Inventory for IT hardware. The memorandum from SAF/CN, instructions for the inventory, and a FAQ section can be found on the AFECO SharePoint site (link below) underneath the blue banner labeled "Out of Cycle (OOC) Inventory Information". This inventory must be completed and returned to Ms. Diana Gibbs by 11 Jan 2022. Inventories were emailed out to the Wing on 27 Sep 21. If you did not receive your inventory please email Ms. Gibbs at diana.gibbs@us.af.mil

If there are any questions on the Out of Cycle Inventory, please check the FAQ on the SharePoint site first as the AFECO will populate this section with questions as they are received. If you cannot find the answer to your question, please submit an inquiry on the AFECO SharePoint site. The inquiry submission icon can be found under the blue banner labeled "Submit an Inquiry".

COVID-19 information entered into CISS

Your COVID-19 vaccination information will be entered into the Colorado Immunization Information System (CIIS)

Under Colorado law, you can remove your immunization information from the Colorado Immunization Information System (CIIS) at any time. This is called an opt-out.

If you change your mind, you can have your health care provider re-enter your immunization record into CIIS at a later time by submitting a rescind opt-out form.

If you choose not to participate in CIIS, you're responsible for keeping track of your immunization record.

How to opt-out of CIIS

1. When you ask to opt-out of CIIS, your health care provider should:

Direct you to a CIIS Opt-Out Form -

English | Arabic | Chinese | Korean | Russian | Somali | Spanish | Vietnamese

Attach one signed copy of the form to your/your child's medical record in the location usually reserved for the immunization record, if applicable or practical for clinic work flow.

2. To complete the opt-out, it's your responsibility to:

Mail, email, or fax one signed copy of the CIIS Opt-Out Form to the CIIS office at the address on the bottom of the form.

Keep one signed copy of the form for your records.
