# VACCINE HOTLINE

Do you have questions about the COVID-19 vaccine or want to know where you can get vaccinated? Call 1-877-CO VAX CO (1-877-268-2926). Colorado's new vaccine hotline can answer your questions.

**JANUARY HOURS:** Monday through Friday, 9 a.m. - 10 p.m., Saturday and Sunday, 9 a.m. - 5 p.m.

## 1-877-CO VAX CO

More information about Colorado's vaccine efforts is available at [covid19.colorado.gov/vaccine](https://covid19.colorado.gov/vaccine).

The Colorado Department of Public Health and Environment launched a new call center for the public to ask questions specifically about the COVID-19 vaccine. Beginning Feb. 1, hours will extend to 24 hours a day, seven days a week. The new toll-free number is 1-877-CO VAX CO (1-877-268-2926).

Vaccine call center staff are trained to answer COVID-19 vaccine-related questions, provide information about vaccine providers across the state, and give general information about COVID-19. Fifty operators are available to answer calls and can provide information in multiple languages. Staffing will expand as call volume requires.

The 1-877-CO VAX CO number is the go-to for vaccine-related questions for the general public, but they should continue using the Colorado Health Emergency Line for the Public (COHELP) and 2-1-1 Colorado for general information about COVID-19, such as the number of cases in Colorado, the list of symptoms, or how you can protect yourself.

# COVID Vaccines for Dependent 12 and Up

The 460 MDG would like to open up our allotment of Pfizer COVID-19 vaccines to all ID card holders (AD, GS, CTR, Guard, Reserves, Retirees and eligible Dependents ages 12 years of age or older) for Team Buckley--all agencies, all services.

Members must bring their CAC/dependent ID card and will need to fill out DHA Form 207 v10 (attached). For dependents without an ID card, please have a parent/guardian present. The Pfizer EUA fact sheet is also attached for review.

**PARKING:** Fitness Center and Physical Therapy patrons are the only members authorized to park in front of Bldg 35. Members being vaccinated will be instructed to utilize the BX parking lot or Fitness Center rear parking lot. Fitness Center patrons will still be able to access the building through the main doors. Vaccination attendees will enter and exit through separate doors according to the instructions they will receive on site from the Medical Group.

If you are interested in signing up, please use the links below to see availability. As future vaccines are offered, the link to signup will be published. Please only sign up one per person per appointment slot.

Location: Immunizations Clinic Bldg 600, 275 S. Aspen St. Bldg 600 Buckley AFB, CO 80011

Link for 10 Jun: <https://www.signupgenius.com/go/10C0C4CAFA62DAAFFC61-moderna4>

If there are no additional sign up slots and getting the vaccine off base is more convenient for you, please follow this link to find an off base location: <https://vaccine-finder.nickm.org>.

If you receive the vaccine off base, please be sure to bring your records to the MDG so we can update your vaccination status in the military health record.

Timing of your second shot:

The timing between your first and second shots depends on which vaccine you received.

- If you received the Pfizer-BioNTech COVID-19 Vaccine, you should get your second shot 3 weeks (or 21 days) after your first.
- If you received the Moderna COVID-19 Vaccine, you should get your second shot 4 weeks (or 28 days) after your first.

You should get your second shot as close to the recommended 3-week or 4-week interval as possible. However, your second dose may be given up to 6 weeks (42 days) after the first dose, if necessary. You should not get the second dose early. There is currently limited information on the effectiveness of receiving your second shot earlier than recommended or later than 6 weeks after the first shot.

However, if you do receive your second shot of COVID-19 vaccine earlier or later than recommended, you do not have to restart the vaccine series.

This guidance might be updated as more information becomes available.

# Rocky Mountain Adventure Camp for Military Teens

Sharing three Rocky Mountain Adventure Camp opportunities below for military teens between the ages of 14-19 years old (9<sup>th</sup>-12<sup>th</sup> grades). This Military Teen Adventure Camp will take place on the Colorado State University Mountain Campus in Pingree Park, CO located in Northern Colorado. A limited amount of out of state travel scholarships are available if families need assistance, so please share widely.

Register for the Rocky Mountain Adventure Camps at:

<https://camps.cui.active.com/orgs/RockyMountainAdventureCampColoradoStateUniversityMilitaryYouth?orglink=camps-registration>

To learn more about the Military Teen Adventure Camps visit:

<https://ag.purdue.edu/extension/adventurecamps/Pages/camps-by-location.aspx>

Camp 1 – July 5-8 (maximum of 46 youth housed in two dorms)

Camp 2 – July 12-15 (maximum of 23 youth housed in one dorm) – waiting list only

Camp 3 – July 26-29 (maximum of 23 youth housed in one dorm)

A few things to note:

- Due to the pandemic – we will not be able to pick up or drop off youth at the airport this summer. In the unfortunate event that a camper becomes ill or shows COVID-19 symptoms during camp, the camper will need to be picked up, by a responsible adult, from the CSU Mountain Campus within 6 hours of being called. We don't want this to happen, but we do have to take temperatures and ask for signs of illness daily.
- Out of State Travel Scholarships of \$300 for up to 40 youth are available. The scholarship form will be on the active website with the other forms. It needs to be emailed to us at [rockymountainadventurecamp@mail.com](mailto:rockymountainadventurecamp@mail.com) NOT uploaded as a form to the active.com sight. On the active sight, we cannot tell the order in which forms are returned – to keep track of the first 40.
- Youth must be in high school grades 9-12 (may be graduating spring 2021)
- Time is getting short already for you and us, so sign up asap. We have a very limited amount of slots this year, since we are operating at half capacity and only can offer three weeks of camp.
- Other than your personal transportation to pick up and drop off locations to get the kids to our bus, the cost of camp is a \$35 non refundable deposit due at the time of registration. We are so fortunate to have a grant from DoD, USDA, Purdue University and Colorado State University to host camp!!!!
- If you aren't on our private FB page already, please become a member. <https://www.facebook.com/groups/RMAC2011/>

## MENTAL HEALTH AND SECURITY CLEARANCES

**BLUF:** Seeking mental health services **does not affect** one's ability to gain or hold clearance eligibility. It is extremely rare that a person loses clearance for a psych reason alone

A detailed analysis of denial and revocation statistics involving psychological conditions clearly demonstrates that *a cleared individual is not likely to lose or fail to gain clearance eligibility after seeking mental health care or experiencing mental health symptoms.*

Even for individuals with concerns in other adjudicative areas, *the loss or failure to gain clearance eligibility was rare.* During that same period, only 380 individuals with psychological concerns in addition to one or more other concerns had their eligibility revoked or denied. *Of particular note, none of the cases resulting in a denial or revocation were based solely on an individual seeking mental health care. Rather, other factors, such as non-adherence to medical recommendations or simply not seeking care in the face of a clear need for mental health support, were generally the disqualifying issues.*

DoD CAF Metrics: 2012-2018

Total  
Adjudicative  
Actions(e.g.,  
grant, deny, loss  
of jurisdiction)

2,361,717

Cases with  
Psychologically-  
related Issues (e.g.,  
Guideline J)

46,985

2.03%

Denials & Revocations  
for ONLY psych issue

12

0.00507%

NOTE: **None** of these cases were denied/revoked just for seeking care

Seeking mental health care is a positive course of action and a sign of sound judgment. It is the most common way to mitigate mental health issues and is recognized as a positive step during security clearance process.

# New Colorado Gun Laws

1.SB 21-078, Lost or Stolen Firearms: This bill requires an individual who owns a firearm *to report the loss or theft of that firearm to a law enforcement agency within 5 days* after discovering that the firearm was lost or stolen (<https://leg.colorado.gov/bills/sb21-078>). This law will go into effect 90 days after the legislature adjourns its 2021 lawmaking term, which is planned for June. That likely means the law goes into effect in mid-September (A copy of the bill text can be viewed at: [https://leg.colorado.gov/sites/default/files/documents/2021A/bills/2021a\\_078\\_enr.pdf](https://leg.colorado.gov/sites/default/files/documents/2021A/bills/2021a_078_enr.pdf))

2.HB21-1106: Safe Storage of Firearms: This bill requires *firearms be responsibly and securely stored when they are not in use* to prevent access by unsupervised juveniles and other unauthorized users (<https://leg.colorado.gov/bills/hb21-1106>); this law will go into effect 1 July 2021. (A copy of the bill text can be viewed at: [https://leg.colorado.gov/sites/default/files/documents/2021A/bills/2021a\\_1106\\_enr.pdf](https://leg.colorado.gov/sites/default/files/documents/2021A/bills/2021a_1106_enr.pdf))

Safe firearms storage ideas include:

- ✓ Securing firearms outside the home with friend, relative, or a storage facility.
- ✓ Using a gunlock or safe if you chose to secure a firearm inside the home.
- ✓ Storing firearms and ammunition separately.
- ✓ Keeping firearm locking keys secure by using combo lock box or a separate safe.
