At the Chapel

To sign up please email donald.m.rincon2.civ@mail.mil
Or call 720-847-6453

2 Rules of Love and Logic

1: Adults set limits without anger, lectures, threats or repeated warnings.

2: When children cause problems, adults hand these problems back in loving ways.

Love allows children to grow through their mistakes.

Logic allows them to learn from the consequences of their choices.
