#### Recognition and Appreciation for our members!

Recognition for a job well done comes in many forms. During September UTA, we awarded Major Slocum with an award for his hard work and dedication for the FM training he runs for NGB, and Lt Col Murphy was recognized as a superior performer during the inspection in July. Command Senior Enlisted Leader for HQ NORTHCOM Sergeant Major Paul McKenna visited the wing and coined several folks for their excellent work at the unit. Lastly, several crew chiefs were recognized at a Dedicated Crew Chief ceremony for excellence in their field. Keep up the great work!
